

Addenda to Pulp-related books and periodicals available from Mike Chomko for May and June 2019

As I mentioned in my recent catalog, I have a quantity of material that I'd like to clear out. I just didn't have the time or space to list it in that 14-page catalog that I transmitted a few days back. You'll find the material listed below. As usual, these items are available in limited quantities. Hence, it is first come, first served. Thank you. I hope to see you in August at *PulpFest 2019*.
